APPENDIX (9) RELATED TO ARTICLE 14
(International Agreement on Breeding, Racing and Wagering)

**RULES ADOPTED BY THE EXECUTIVE COUNCIL
FOR ESTABLISHING THE INTERNATIONAL LIST
OF PROTECTED NAMES FROM 2006**

The list of Protected Names is updated as follows:

1.- Racehorses:

a) Automatic addition of the names of the winners of the following 11 most important international races for 3 y.o. and upwards:

South America (2):	- Gran Premio Carlos Pellegrini - Grande Premio Brazil.
Asia (4):	- Melbourne Cup - Dubai World Cup - Hong Kong Cup - Japan Cup
Europe (3):	- Prix de l'Arc de Triomphe - King George VI & Queen Elizabeth Stakes - Irish Champion Stakes.
USA (2):	- Breeders' Cup Classic - Breeders' Cup Turf.

b) Countries can propose to the IFHA Executive Council for approval, a maximum of 3 additional names per year of racehorses whose form justifies such a protection. Each such request must be supported by the following information:

- the name of the horse
 - sex
 - colour
 - country of birth
 - the year of its birth
 - the name of the sire
 - the name of the dam
 - the name of the dam's sire
 - Justification for the request
 - Race record.
- | with the suffix

2. - Breeding stock:

a) Protection is given to:

- Broodmares who have produced at least two Group 1 winners and one other Black Type winner.
- Stallions who have produced at least 15 individual Group 1 winners.

Only those Group 1 races listed under Part I of the International Cataloguing Standards would qualify for consideration.

The Secretariat of the International Stud Book Committee will update this list on a quarterly basis.

b) Countries can propose to the ISBC for approval, a maximum of 3 additional names per year of broodmares and stallions whose record at stud justifies such protection. Each such request must be supported by the following information:

- the name of the horse
- sex
- colour
- country of birth
- the year of its birth
- the name of the sire, with suffix
- the name of the dam, with suffix
- the name of the dam's sire, with suffix
- Justification for the request
- Progeny record
